

Morning Star RFQ Checklist

What Buyers Should Prepare Before Quotation Review

RFQ Checklist

Please prepare the following before quotation review:

- 1 Product type
- 2 Drawing or photo
- 3 Size, clear opening or frame size
- 4 Load class or application condition
- 5 Quantity
- 6 Marking or logo requirement
- 7 Destination or port
- 8 Contact details

Additional Information for Old-Cover Replacement

If the inquiry is for old-cover replacement, please also provide:

- 1 Front photo of the old cover
- 2 Back photo of the old cover
- 3 Clear opening
- 4 Outer frame size
- 5 Thickness
- 6 Existing wording or utility marking

RFQ Note

If complete drawings are not available, first-round review can still begin from site photos, old-cover photos and basic dimensions. More complete dimensions and structural details will still be needed before final quotation confirmation and production arrangement.
